Eternal Reefs Inc. will be responsible for any additional costs associated with the transportation and final placement of the Eternal Reef.

After placement

Eternal Reefs have a long and tested history of stability during storms. Eternal Reefs will make every reasonable effort to place the Eternal Reefs so that they will not be affected by storms or the impacts of boating activities or any other maritime activity or accident. Under no circumstances will Eternal Reefs, Inc. be held responsible for any damage or relocation of Eternal Reefs after placement.
